OUR STORY

The UK's leading blending house.

Digby Fine English was created with an ambition: to make England famous for world-class sparkling wine.

Our wines bring together grapes from some of England's finest growing regions with the art of blending - creating wines with balance, elegance and a character all their own.

There is no imitation here.

Just a distinctly English expression of sparkling wine, crafted with curiosity, patience and a belief that great things are worth waiting for.

THE EXECUTIVE COLLECTION

Founder's Choice

For the business relationships that matter most, give something truly considered.

The Founder's Choice is an exclusive, hand-selected trio of Digby Fine English sparkling wines, curated personally by our Co-Founder, Trevor Clough.

Each bottle is accompanied by a personal tasting card from Trevor, sharing the story behind the vintage, its distinctive character, and why it earned its place in his personal cellar.

It transforms an exceptional gift into a deeply personal gesture.
Not simply three world-class bottles.

Three choices. Three stories. One considered gesture.

For: Key clients • Strategic partners • VIP relationships • Significant milestones

THE EXPERIENCE
