CORPORATE GIFTING · CHRISTMAS 2026

The art of *giving*

Award-winning English sparkling wine

WHY DIGBY

A gift that gets opened, *not filed away*

Christmas hampers tend to get unpacked and forgotten. A bottle of Digby gets opened over Christmas dinner and shared round the table, and people remember who sent it.

WHY DIGBY

Award-winning English sparkling wine

97 points

Platinum at the Decanter World Wine Awards, twice: Non Vintage Brut in 2019 and Rosé Brut 2018 in 2025.

4 Golds in 2026

WineGB Awards 2026: Non Vintage Brut, Leander Pink, Multi Vintage Blanc de Blancs and the 2009 Library Release.

Supreme Champion

WineGB Awards 2023, the top award in English and Welsh wine, for our 2013 Vintage Reserve Brut.

Since 2009

England’s first négociant house, set up by Trevor Clough and Jason Humphries. Our first vintage was 2009.

ABOUT US

England’s first négociant house

Trevor Clough and Jason Humphries started Digby because they wanted England to be known for world-class sparkling wine.

We own our own vineyards in Kent and West Sussex as well as partnering with the most meticulous growers across Hampshire, and Dorset. By blending the energy of Greensand, the elegance of Chalk, and the richness of Clay, we create wines that are sophisticated yet racy.

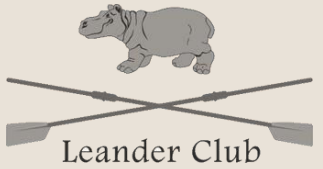

CLIENTS

Trusted by exceptional organisations

From a Royal Navy aircraft carrier to the House of Commons: chosen where provenance and presentation matter.

FABER

We designed co-branded labels for RAF Digby, HMS Queen Elizabeth, Leander Club and House of Commons.

PERSONALISATION

Your name on the bottle

01 **Company name on the neck label**

We print it in our neck-label design and finish each one by hand. You can do this on any wine in the range, however many bottles you order.

02 **A short message**

Merry Christmas, Season's Greetings, Thank you, or just the person's first name.

03 **A card in every box**

We put your message on a Digby gift card and pack one in each box.

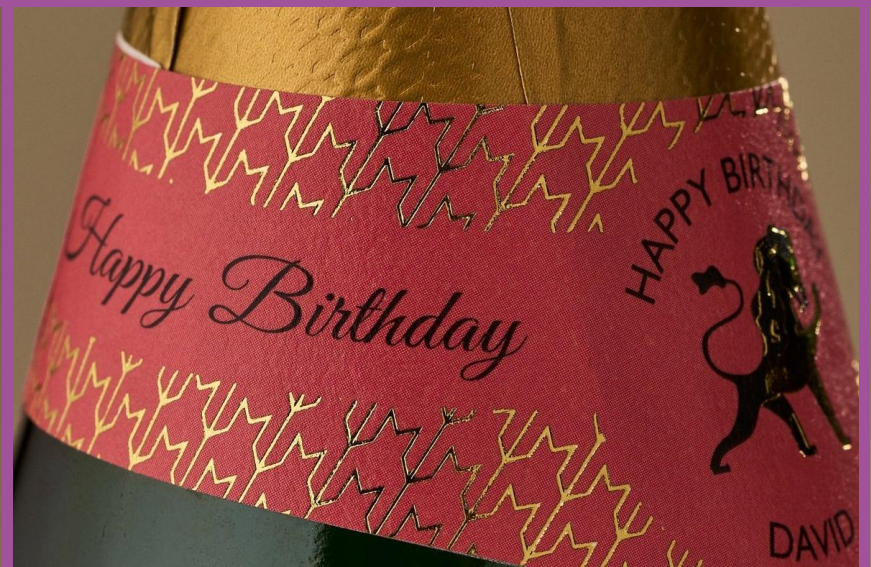

04 **Co-branded labels**

For 1,000 bottles or more, we'll design a full label around your crest or logo, as we did for RAF Digby and HMS Queen Elizabeth.

PERSONALISATION

The card gets put away.
The bottle stays on the table.

THE PINK

Leander Pink Non Vintage Brut

For celebrations with a little more personality.

Leander Club is the rowing club in Henley-on-Thames. It was founded in 1818 and has won more Olympic medals than any other single sports club. The wine is a blend of Pinot Noir, Chardonnay and Pinot Meunier, fresh and lively, with strawberries and cream on the palate.

GOOD FOR

Christmas parties, client hospitality, anyone who likes rosé

COMES WITH

THE SIGNATURE

2014 Vintage Reserve Brut

Our flagship wine.

We only make a vintage wine in very good years. The 2014 spent at least eight years on its lees, nearly three times the legal minimum for vintage sparkling wine. You get lemon zest first, then toast and a savoury depth, and it's still remarkably fresh.

GOOD FOR

Key clients at Christmas, partnerships, a big thank-you

COMES WITH

Gift box, personalised neck label, your card

WINEGB AWARDS 2026 SILVER MEDAL

INTERNATIONAL SILVER Wine WINNER CHALLENGE 2025

THE CONNOISSEUR · NEW RELEASE · WINTER 2026

2018 Blanc de Blancs

Our newest release, from one of England's most celebrated vintages.

Blanc de Blancs is made only from white grapes, and collectors like it for its precision. 2018 was one of England's most celebrated vintages. If you're buying for someone who has everything, this is probably something they haven't tried yet.

GOOD FOR

Collectors, Christmas dinner, the client who has everything

COMES WITH

Gift box, personalised neck label, your card

THE STATEMENT

2014 Vintage Reserve Brut Magnum

Our flagship 2014, in a 1.5 litre bottle.

It's the same wine as our 2014 Vintage Reserve, in magnum, and every bottle is individually numbered. A magnum gets noticed when it comes out, so it suits a Christmas party or an important partnership.

GOOD FOR

Christmas parties, VIP clients, important partnerships

COMES WITH

Numbered magnum, gift box, personalised neck label

THE EXECUTIVE COLLECTION

Founder’s Choice

Three bottles picked by our founder, Trevor Clough.

Trevor is our head blender, and he chose these three himself. Each bottle comes with a tasting card he’s written, saying what the wine is like and why he keeps it in his own cellar. It’s our most personal gift, and the one we’d suggest for your most important clients.

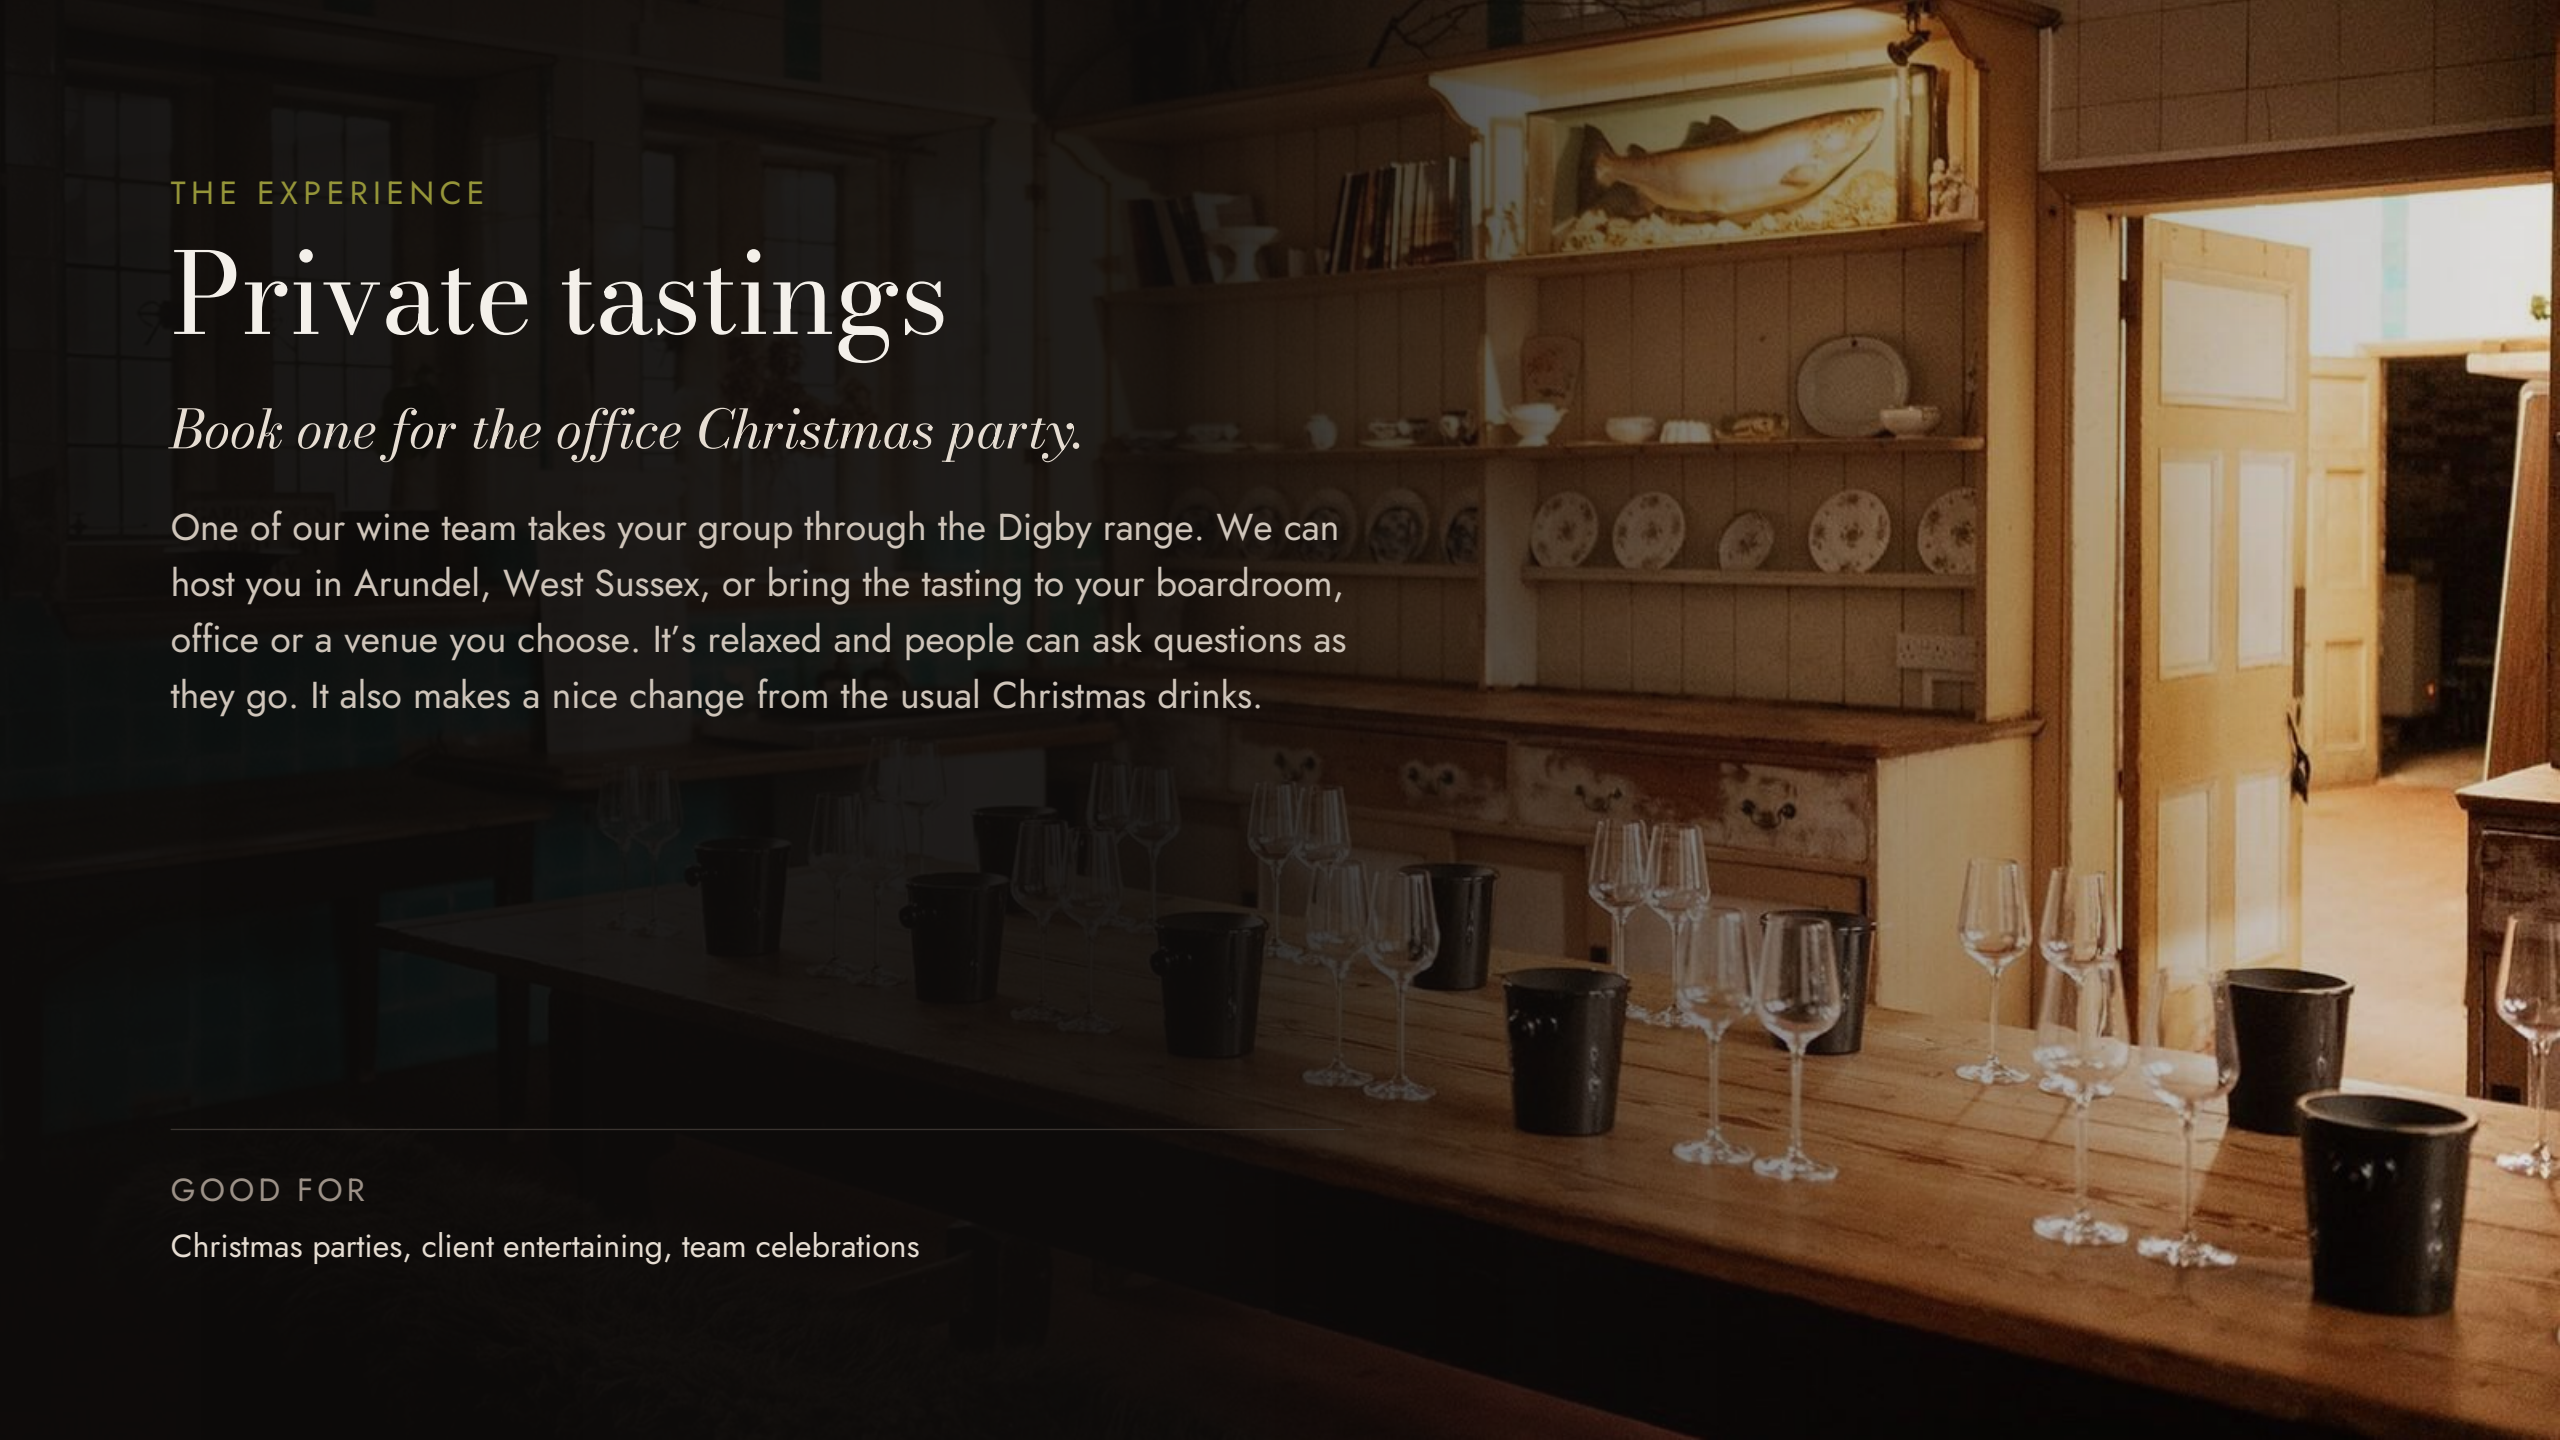

GOOD FOR

Key clients and strategic partners at Christmas

COMES WITH

Three-bottle gift box, personalised neck labels, Trevor’s tasting cards

THE EXPERIENCE

Private tastings

Book one for the office Christmas party.

One of our wine team takes your group through the Digby range. We can host you in Arundel, West Sussex, or bring the tasting to your boardroom, office or a venue you choose. It's relaxed and people can ask questions as they go. It also makes a nice change from the usual Christmas drinks.
